

Sustainability package

A start-up kit to help you live more sustainable

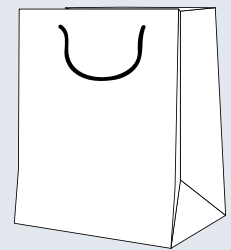

30-day period ticket on busses and trams for free

As a new tenant at Emilsbro, a period ticket of 30 days at Västtrafik is our treat. You need to buy the period ticket yourself, and we will deduct the amount of the 30-day period ticket on your first monthly payment slip.

Goodie bag

At our customer service office, you can collect a goodie bag that contains a rain cape, a service kit for your bicycle, and a water bottle.

Activities in the area

In the area, you will find several options for physical activity. Across the building, there is a green area with paths on which you can run or walk. At Gibraltargatan 80, there is a swimming pool which you as a tenant have access to.

Useful apps

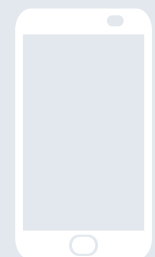

Västtrafik: The app for public transport in Gothenburg

Stepler: Collect points by walking and get discounts

RunKeeper: Keep track of how far you have run or walked

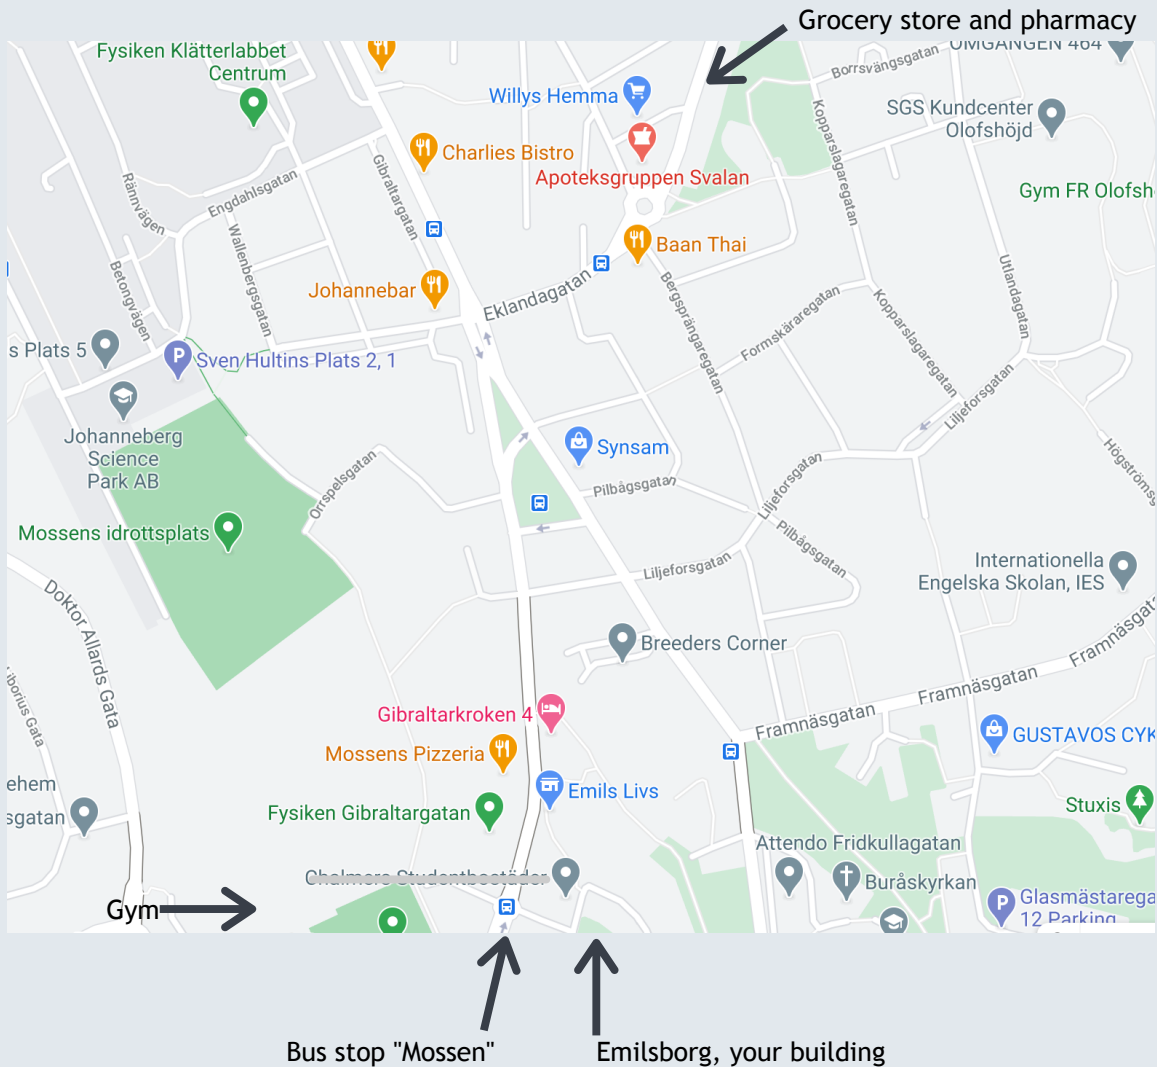

Headspace: A meditation app if you need a break
